Report to the Hutt River Floodplain Management Advisory Committee
from Daya Atapattu, Project Leader, Flood Protection Group

Hutt River Floodplain Management Plan : Implementation Proposed Ava to Ewen Upgrade Works

1. Purpose

- To provide for information a copy of Report 01.613, “Hutt River Floodplain Management Plan : Implementation, Proposed Ava to Ewen Upgrade Works”, which will be considered by the Landcare Committee on 6 September 2001.
- To seek the Advisory Committee endorsement of the recommendations made to the Landcare Committee

2. Background

The Ava to Ewen reach investigations started in 2001/02 have now reached a stage where key decisions have to be made before:

- starting discussions with Tranz Rail.
- applying for resource consents and commencing the detailed design.

2.1 Landcare Committee Report

The Landcare Committee report in **Attachment 1** recommends:

- a basis for discussions with Tranz Rail.
- an approach for proceeding with the detailed design and consent applications.

The Advisory Committee is requested to consider and endorse the recommendations contained in this report. A verbal report of the Advisory Committee's recommendations will be given to the Landcare Committee on 6 September.

3. **Recommendations**

That the Advisory Committee:

- (1) *Receive the report and note the contents.*
- (2) *Endorse the recommendations in Report 01.613 to the Landcare Committee.*
