Dear Terry

DRAFT 2002/03 STATE HIGHWAY PROGRAMME

Thank you for your submission to the Transit New Zealand Authority (Authority) on the Draft 2002/03 State Highway Programme. I appreciate that there was very little time for preparation of your submission and the Authority has asked that I thank all submitters.

All submissions have now been considered by the Authority as it continues to deliberate over finalisation of its recommended programme and consults with Transfund New Zealand (Transfund) on their development of the 2002/03 National Roding Programme.

As soon as practicable after the 2002/03 National Roding Programme is released by Transfund, advice on the Authority's conclusions in relation to your submission will be sent to you. This is likely to follow the July meeting of the Authority.

Thank you again for your assistance during our consultation on the 2002/03 State Highway Programme.

Yours sincerely
