

Report 05.52

Environment Committee

Minute extract from meeting held on 22 February 2005

Divisional Manager's Report

Members noted that Councillors Baber and Evans were potentially interested in attending the New Zealand Planning Institute Conference and will advise Councillor Turver within the next few days.

Resolution

- (1) *That the report be received and the contents noted.*
- (2) *That Councillor attendance at the New Zealand Planning Institute's 2005 Conference be decided following discussion with Councillor Turver and Dr Bradbury after today's meeting.*

Councillors Baber and Evans said they would like to attend the Resource Management Land Association Conference in October.
