Tabled

“Towards a sustainable region”? Sustainable environmentally, socially, and economically? No! not a hope with the draft Wellington Regional Land Transport Strategy 2007-2016. JC Horne.

Chris Horne recommended that the Dowse to Petone Grade Separation (Hutt Corridor) and other planned new link roads be abandoned as they ignore the threat of climate change, peak oil, and the Government’s draft energy strategy. Mr Horne also requested that the Committee withdraws the draft Wellington Regional Land Transport Strategy 2007-2016.

Adrian Webster welcomed the draft Wellington Regional Land Transport Strategy 2007-2016, and said he appreciated the opportunity to make submissions on it. Mr Webster suggested that both road and rail should form part of travel demand management to alleviate shortage of trains on the Kapiti coast route at peak times. He feels that Wellington employers should utilise flexi-time to lessen the peak commuter load.

RLT 129 **Confirmation of Minutes**

Resolved (Cr McDavitt/ Mayor Milne)

The study is planned to be completed in July-August 2007.

Other Matters

RLT 136 General

Inner City Bypass (leaflet). Transit New Zealand

New Northbound Route (card). Transit New Zealand

Regional Land Transport Committee Indicative meeting dates for 2007. GW Officers.

- Mayor Ogden raised the issue of late delivery of Committee papers referred to in the minutes of 31 October 2006. An envelope addressed to Mayor Ogden was accepted as evidence by the Chairman.

Mayor Guppy and Mr Anderson reported that they had not experienced this problem.

Mayor Ogden was advised by the Chairman that the issue had been investigated by himself and Officers, and it appeared that the problem lay with postal and courier delays after the documents left the Regional Council Centre.

- The Committee congratulated Transit New Zealand on the opening of the Inner City Bypass on 28 December 2006.
- Mr Anderson requested that Committee members be provided with media releases on key public transport issues when they are released to the media.
- The Committee acknowledged receipt of the indicative meeting dates for 2007.

The meeting was adjourned between 10.39 am and 10.54 am for morning tea, and closed at 12.47 pm.
