Regional Sustainability Committee: draft programme to July 2008

1. Purpose

To present a draft programme for the Regional Sustainability Committee for comment and discussion.

2. Significance of the decision

The matters for decision in this report **do not** trigger the significance policy of the Council or otherwise trigger section 76(3)(b) of the Local Government Act 2002.

3. Comment

I have done some thinking, together with the Divisional Manager, Corporate and Strategy, about the future programme for the Regional Sustainability Committee and have come up with a draft of topics/issues for the Committee to address (**Attachment 1**).

I would welcome the Committee's views on the draft programme and any suggestions members may have for future issues for the Committee.

4. Communication

A media release on the agreed planned programme may be appropriate.

5. Recommendations

That the Committee:

1. **Receives the report.**
2. **Agrees on a programme for the Regional Sustainability Committee.**
