NRP 29 **Community engagement workshops**

**Oral Report**

Terry Parminter reported to the Committee on the recent community engagement workshops held in the Wairarapa and the Hutt Valley. Committee members noted the good attendance at these workshops, particularly in the Wairarapa, and the positive response the advertising for the workshops had generated. The amount of traffic the Te Upoko Taiao webpage was receiving was also noted.

There was some concern that workshop attendance appeared to comprise mainly of those with existing relationships with Greater Wellington. Members of the Committee were encouraged to continue to generate interest within their own networks for the remaining workshops.

NRP 30 **Arrangements for meetings with territorial authorities and iwi**

**Oral Report**

Miranda Robinson gave an update on meetings that have been held with iwi authorities in the region and informed the Committee that meetings with the territorial authorities would be held after the October local body elections.
