That the Committee

Excludes the public from the following part of the proceedings of this meeting namely:

Potential opportunity for the extension of ticketing product

The general subject of the matter to be considered while the public is excluded, the reasons for passing this resolution in relation to the matter, and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

<i>General subject of the matter to be considered:</i>	<i>Reason for passing this resolution</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
<i>Potential opportunity for the extension of ticketing product</i>	<i>The information contained in this report relates to Greater Wellington entering into negotiations with a transport provider for the potential extension of a ticketing product. Negotiations have not yet commenced. Having this part of the meeting open to the public would disadvantage Greater Wellington if negotiations were to take place as it would reveal the Greater Wellington's negotiation strategy. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.</i>	<i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e to enable Greater Wellington to carry on without prejudice or disadvantage negotiations).</i>

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.

The motion was **CARRIED**

The public part of the meeting finished at 10.41 am.
