| <i>1. Confirmation of the Public Excluded minutes of 25 June 2015.</i> | <i>The information contained in these minutes relates to Greater Wellington Regional Council (GWRC) considering a preferred option combination for flood risk management which may lead to the acquisition of property. Release of this information would disadvantage the commercial position of property owners as it may affect their land value, if it is known that their property may be required for flood protection works. GWRC has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice.</i> | <i>That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(b)(ii) of the Local Government Official Information and Meetings Act 1987 (i.e. to protect information where the making available of that information would be likely unreasonably to prejudice the commercial position of the person who supplied or is the subject of the information).</i> |
