Wholesale water levy for 2017/18 and end of year adjustment for levy 2016/17

1. Purpose

To set the wholesale water levy for 2017/18 year and adjust the 2016/17 year levy apportionment.

2. Background

Greater Wellington Regional Council (GWRC) has consulted with its water supply customers (the four metropolitan city councils) and the community about the water supply levy for 2017/18. The supporting information to the Consultation Document, which contained the proposed Annual Plan, outlined that the levy for the 2017/18 financial year will increase by 6.1 percent from that set for the current year.

3. Submissions

There were no significant issues raised in relation to the proposed wholesale water levy for 2017/18 as a result of the consulting process undertaken with the proposed 2017/18 Annual Plan.

4. Proposed 2017/18 wholesale water levies

The proposed levy for 2017/18, as detailed in the GWRC's proposed Annual Plan 2017/18 provides for a 6.1 per cent increase to the current year's levy. If this position is approved, the levy for the 2017/18 financial year will be \$30,862,765 (GST exclusive).

The Levy applicable to each city council would be as follows:

Table 1

	2017/18 Levy \$ (GST exclusive)
Hutt City Council	7,658,869
Porirua City Council	3,591,688
Upper Hutt City Council	3,096,241
Wellington City Council	16,515,967
Total	30,862,765

5. Proposed end of year adjustment levies for 2016/17

At the beginning of each year an estimate of each city's water consumption is calculated, and charges are raised based on the amount of water supplied in the previous year. Once the amounts of water actually supplied during the 2016/17 year is known an adjustment is made at year end. The metering year ends on the last Wednesday of March and the volumes recorded are used to determine an end of year adjustment. Table 2 shows the end of year adjustments. Consumption figures are reported to all metropolitan councils weekly.

Table 2

Council	Adjustment for 2016/17 \$ (GST exclusive)	Charge or refund
Hutt City Council	(91,399)	Refund
Porirua City Council	54,590	To pay
Upper Hutt City Council	146,153	To pay
Wellington City Council	(109,344)	Refund
Total	-	-

Although GWRC's overall financial position does not change, some accounting adjustments are needed to reflect the amount of water actually consumed by each city. Accordingly, charges raised to the cities previously are to be revised. On 20 July 2017, a refund will be sent to Hutt and Wellington City Councils. On the same day invoices raised for Porirua and Upper Hutt City Councils will be due for payment.

6. Communications

Each of the four city councils will be advised directly of the contributions payable for 2017/18 and adjustments to the levies charges for 2016/17.
