Dear Amanda

Direct referral to the Environment Court decision

On 22 July 2016 Greater Wellington Regional Council (GWRC) and Wellington City Council (WCC) granted your request for the decision on resource consents WGN160274 and SR357837 relating to the proposed runway extension to be determined by the Environment Court. I have enclosed copies of GWRC and WCC reports outlining the reasons for the direct referral decision.

Please contact myself or Peter Daly if you have any questions.

Yours sincerely
