Submission

- I/we oppose the provision of rules to prohibit motor vehicles over the entire length of Titahi Bay beach because of disturbance to the foreshore, seabed and remnants of fossilised forest.
- The reason is that adverse effects of motor vehicles on the environment can be avoided, remedied or mitigated with an agreed, practical, sustainable management plan.
- I/we wish to have the provision amended to allow blanket resource consent for motor vehicles in the boat shed areas at the ends of the beach.
- I/we authorise Titahi Bay Residents Assn Inc to present my/our case at a hearing.

The Wellington Regional Council is legally required to publicly notify a summary of submissions including your name and address so other submitters can make further submission and be able to serve you with a copy of it.
